

# Authentic Assessment Workshop\*

**Facilitator: Debra Smith, Ph.D.**

In this interactive session participants will develop an authentic assessment using one of their course objectives. An authentic assessment is an assessment in which students prepare a response that demonstrates the meaningful application of their knowledge or skill.

**Friday, April 5th  
11am—1pm  
144 P/K Library  
(Simons Room)**

**Register Online**

**To Register:**

Access Pipeline

Registration via Faculty or  
Employee tabs

**Or Contact:**

Stacy Jackson

Stacy.jackson@wayne.edu

**Prior to the session,  
registered participants will be  
provided with a website to  
explore to review examples of  
authentic assessments, session  
preparation guidelines and a flash  
drive to use to bring their  
pre-work to the workshop**

\*Workshops are hands-on classes that provide faculty with in-depth training and skills development on how to apply pedagogical principles and effective practices in their online courses.

**Lunch will be provided!**
