Web 2.0 Tools & Tech Resources Workshop

Join us for a hands-on exploration of three web 2.0* tools: **VoiceThread, Weebly, and Voki**. We will also take a look at several tech resource sites to encourage student content interaction; **TED talks, the Khan Academy, and Stormboard**.

* Web 2.0 tools are simple, sometimes free, online applications that make it easy to create, share, and interact with content in new ways.

Lunch will be provided
